

## James Arthur Albert Foundation Annual Auction

# KEEPING OUR SCHOLARS IN SCHOOL

## 220 KIDS WON'T GO BACK TO SCHOOL UNLESS WE RAISE THE MONEY

### Three Ways You Can Keep a Child in School

**1. Contribute now** by sending a check or clicking the DONATE button below to buy scholarships! Every \$250.00 sends a child to school for a year.

**2. Attend** the Outdoor Auction and Tent Party in Buzzard Billy's huge parking lot on Thursday, August 27 for social distancing, good food, two bars and great people. Six feet apart, but together again. Enjoy the speech and video from Belize, bid on the live auction items, and buy scholarships with your friends!

**3. Join us online** from home! On August 27, take part in the entire show via live stream on your mobile device or home computer. Watch the speech and video, bid on auction items in real-time, and buy scholarships!

**Our mission is clear** — we are the only option for 200 impoverished students in Belize to attend high school this year. If we don't raise this money, they don't go to school.

And the same with our 20 university scholars. They don't have the money for tuition or books. We started them at the university last year, and we need to keep them in school.

I have lived in a foster home since I was three months old. We don't have money. I love being in school. Thank you for giving me the opportunity to shine my light even though my background is dark.

— Nabia, age 14, Santa Thesesa Village

It hurts me to see my mommy cry. If only my dad was alive, I wouldn't be begging today. If given the opportunity, I will do my best in school.

— Aron, age 13, Jalacte Village

We are a family of all girls. Some days, we have no food, no money, nothing at all. I have no laptop, no cell phone, no electricity. I sleep on the ground. I am crying writing this. I am striving each day to do my best in school. With God's help and yours, I will succeed.

— Candelaria, age 16, Sunday Wood Village [the 2020 Valedictorian of Corazon High School!]
